Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book (page 52), "CONSTRUCTION NOTES", **DELETE** the note under "627.76 TEMPORARY PVMT. MARK LINE, W OR YELLOW" and **REPLACE** with the following; **"Note: To be used on each lift of HMA pavement. RPMs or a painted line may be used at the contractor's discretion upon approval from the Resident. RPMs will not be allowed on milled surfaces. Temporary painted lines will be required on milled surfaces that open to traffic overnight."**. Make this change in pen and ink.

The following question has been received:

Question: Where the new 350's are going, are there existing B.C.Ts or MELT to be removed?

Response: There are existing end treatments to be removed.

Consider this change and information prior to submitting your bid on March 24, 2010.

Sincerely,

FOR
